

I want to introduce you to Chris Norton. Chris is the Senior Vice President of Investments at I-Bankers Direct LLC and the Co-Founder of IBD Ventures LLC and Strategic Growth Ventures. He holds Series 7,65,63 licenses. I-Bankers has been providing institutionally structured investment offerings to ultra-high net worth individuals and corporations for 25 years. I-Bankers has done over \$50 billion in led and co-managed underwritings since inception. Chris and his team participated in private share transactions for SpaceX, Rubrik, Palantir, Sofi, and Omada Health.

Chris and the team at I-Bankers help individuals align their investments with their financial goals and manage portfolios for them.

The I-Bankers team doesn't believe in cookie cutter financial advice. Each investor has different objectives. As such we believe in diligent selection of investment strategy to achieve the highest possible risk adjusted returns.
